At the Luxury Arathusa
Bush Lodges for a unique
and highly sort after Safari.

Arathusa is situated in a
prime location within the
Sabi Sand Resort, adjacent
to the unfenced Kruger
National Park.

An Exceptional Safari Experience

Arathusa Safari Lodge is unique and highly sought-after by visitors because of its prime location within the Sabi Sand Reserve, adjacent to the unfenced Kruger National Park. Together these two areas comprise one of South Africa's most incredible and pristinely preserved wilderness sanctuaries.

Game drives, in an open safari vehicle, are conducted in the early morning and late afternoon every day in search of animals – both large and small. This means that about 8 hours of every day are spent in this natural sanctuary, in search of the creatures who call it home.

Abundant Natural Wilderness Area

Including the much acclaimed Big Five

As part of the Sabi Sand Reserve and greater Kruger National Park, Arathusa is in one of the world's most abundant natural wilderness areas where hundreds of animal species roam free.

Including the much acclaimed Big Five (lion, leopard, rhino, elephant, and buffalo – the five most dangerous animal species to be hunted on foot). Leopards, in specific, are abundant in this region with perhaps the globe's highest population. Arathusa prides itself on its leopard viewing. As these elusive cats are territorial, we have regular appearances in the area, as well as a pack of wild dogs.

An Open-Plan Design & Natural Décor

Blends seamlessly with the African bush

The main living area is intended for comfort. Whether quietly reflecting on the view, reading a good book, or enjoying conversation with friends or fellow safari goers, the warmth and charm of the lodge environment is the foundation of the Arathusa safari experience.

The infinity swimming pool overlooks the waterhole and is the perfect spot for wildlife viewing while cooling off on a sweltering African summer's afternoon.

Our facilities include two open-air lounges (one with a fireplace), bar, wine cellar, dining area, safari spa and curio shop.

An Alfresco Dining Experience

Scrumptious cuisine is the order of the day.

Enjoy an alfresco dining experience in the traditional open-air boma, while being serenaded by the sounds of Africa's nightlife.

When it comes to dinner, we pride ourselves on never dining at the same place twice during your stay.

We also offer fine dining at the lodge, where the chefs employ their creative flair with local fresh produce and serve up a mouthwatering multi-course meal. Breakfast offers the continental choice of fresh fruit, cereals, yoghurts, cheese & cold meats, as well as a hot breakfast to order

We also offer a range of superior South African wines, produced in the Cape by well-respected farms and estates.

Exclusive private charter flights will be arranged directly to and from Arathusa Safari Lodge's own private airstrip. Flights may only land and take off outside of game drive times. Arathusa Airfield, located just to the west of the Kruger National Park, has a tarred runway which is 1200 metres long.
